

# INNOVATION & ENTREPRENEURSHIP DEVELOPMENT CENTRE

## NEWSLETTER

**SREE BUDDHA COLLEGE OF ENGINEERING, ELAVUMTHITTA**

### VISION

To become a self-sustained centre, to promote innovative ideas and there by introducing an entrepreneurial ecosystem inside the campus and to foster techno-entrepreneurship for generation of wealth and employment.

### MISSION

To develop institutional mechanism to create entrepreneurial culture in academic institutions to foster growth of innovation and entrepreneurship amongst the faculty and students

### OBJECTIVES

- To act as an institutional mechanism for providing various services
- To create Entrepreneurial culture in the Institution & other institutions in the region.
- To inculcate a culture of innovation driven entrepreneurship through student projects.
- To Catalyse & promote development of S&T knowledge-based enterprises and promote employment opportunities in the innovative areas.
- To respond effectively to the emerging challenges

### IEDC-SBW

Technopark Technology Business Incubator (T-TBI) known as Kerala Startup Mission has taken this initiative of the Govt of India to the Top Engineering Colleges in Kerala in order to exploit and effectively convert the skills and expertise within the institute to create entrepreneurial ventures. In 2014, under the guidance of Prof. Libin Babu (AP, CE), Sree Buddha College of Engineering ratified Entrepreneurship Development Club (ED Club) in association with T-TBI and later in 2018 April, Prof. Sankaran Nampoothiri K, HOD (EEE) took the charge and established as Innovation & Entrepreneurship Development Centre (IEDC) under Kerala Startup Mission.

*Team members with Nodal Officer @ Startup Valley*
